Hi Desiree,

I am waiting on a response from EHS in regards to meeting to discuss the NOV. Eric Colvin would like to attend from our corporate office. Also legal needed to look at the email I proposed to send as a response and has yet to respond. I know you are out of the office Monday and Tuesday.

I will send out a formal request once I hear back from the others involved in the process. Could March 2 at 9am work for you?
